

# AWAY EVENTS

WE WILL BRING THE FUN TO YOU!

THE PAINTED POT OFFERS A GREAT AWAY PROGRAM WHERE YOU CAN EXPERIENCE THE FUN ACTIVITY OF PAINTING POTTERY IN THE COMFORT OF YOUR SPACE!

We bring all the **pottery, paints, brushes** and materials needed for your event. There will be at least one Painted Pot Staff providing instruction. The paint washes off all surfaces, clothing and is non-toxic. You will need to provide a space with tables, chairs, and access to water for painting and clean up.

We will kiln fire your pottery and return your pottery wrapped, labeled to your facility in two weeks time.
